MAKING MEALS & MEMORIES

"KINDNESS IS MAGIC"

You're invited to spend an evening with Sunrise,
MAKING MEALS & MEMORIES!

- Cook and enjoy a healthy dinner together.
- Engage with your child(ren) in fun activities and crafts.
- Bring home an activity bag: books, games, and healthy snacks.

Making Meals & Memories will be offered once a month, with a unique theme every month. This is a new program made possible with grant funding from the VT Children's Trust Fund.

You do not need to be a member of Sunrise's other programs to participate.

Families throughout Bennington County are encouraged to attend, and children of all ages and stages are welcome. COVID safety protocols will be followed, and masks are required.
